**26035 PIEVE SAN GIACOMO (CR)**  
**ITALY**

**For the attention of the Quality Manager**

Paris, 6<sup>th</sup> January 2005

**Subject: Notification of approval**  
Dossier: No. I 04.3910

Dear Sir,

The **Corporate Technology Group**, which involves the companies<sup>(1)</sup> of the **TOTAL Group**, hereby informs you that you have been approved for the following **fields**:

<b>1611.01</b>	<b>Flow elements</b>
<b>1614.01</b>	<b>Temperature sensing elements</b>
<b>1614.02</b>	<b>Temperature transmitters</b>
<b>1614.04</b>	<b>Bulb type self acting temperature controllers</b>

This approval, not definitive and restricted to a period of three years, is given strictly to the establishment or site described below:

	Same as above adress
--	----------------------

It shall not apply to any other site or establishment of your Company, another company in your group or any other legal entity to which your Company might be linked.

It is the result of the assessments jointly developed by The Technical Departments and the Purchasing Departments of the companies that are members of the Corporate Technology Group.

This approval is based mainly on:

- the information supplied (responses to questionnaires, attached documents, etc.),
- audits where applicable,
- a group-level consolidation of feedback from users,
- tests of equipment and/or services.

The Corporate Technology Group reserves the right at any time to change the criteria by which you were approved in the fields defined above. You will be notified in good time of any such changes which may involve sending out new questionnaires and deciding to conduct an additional audit.

(1) Companies in which the TOTAL Group has more than a 50% direct or indirect financial holding.
